

# California Jail Programs Association (CJPA)

Thank for taking a few moments to fill out this survey! We would like to have all responses, if possible, **by February 12th**.

The California Jail Programs Association (CJPA) is the only organization that addresses the multiple challenges of inmate programming and custodial services in California. The membership is made up of both sworn and non-sworn professionals in corrections, program management, educational, vocational, psych-social services, recreation, pastoral care and behavioral health, from both large and small county jails.

Quarterly trainings usually follow the format below:

Day 1 (half day): Afternoon Jail tour / Evening networking & social hour

Day 2 (full day) : Training Day

Day 3 (half day): Member Roundtable Discussion
